Help

New game:

Number of Players:

Player 1:

Name:
Color of piece/pawn:
☑Computer Player
Difficulty level:

Easy
Hard

Player 2:

Name:
Color of piece/pawn:
☐Computer Player

Player 3:

Name:
Color of piece/pawn:
☐Computer Player

Player 4:

Name:
Color of piece/pawn:
☐Computer Player

The system will randomly ask a player to choose a color of piece/pawn to determine who will start the game.
The player containing that color pawn/piece will start the game.

Start

Once the "Computer Player" button is ticked, the system will automatically ask the user to set the difficulty level.

The "Help" button on the top right corner will provide rules and regulations of the game as well as a user guide.
